## NOVUX™ Fiber Optic System
NVX-UMC-NN-NN-CC1: Universal mounting clips S

Applicable for CC40/100
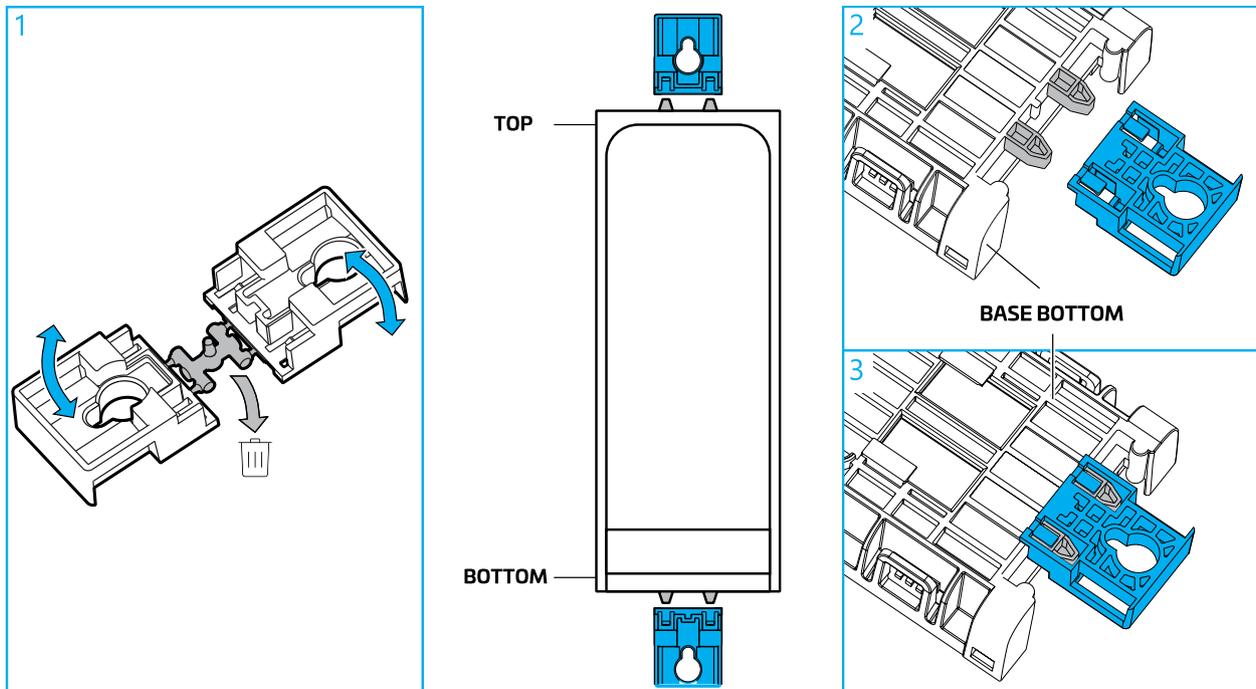

1   Kit contents

N°	Description	Qty
1	Mounting clips	1

📋 *Note:* Mounting hardware (such as screws, plugs, washers) should be selected according to intended mounting surface (not included in the kit).
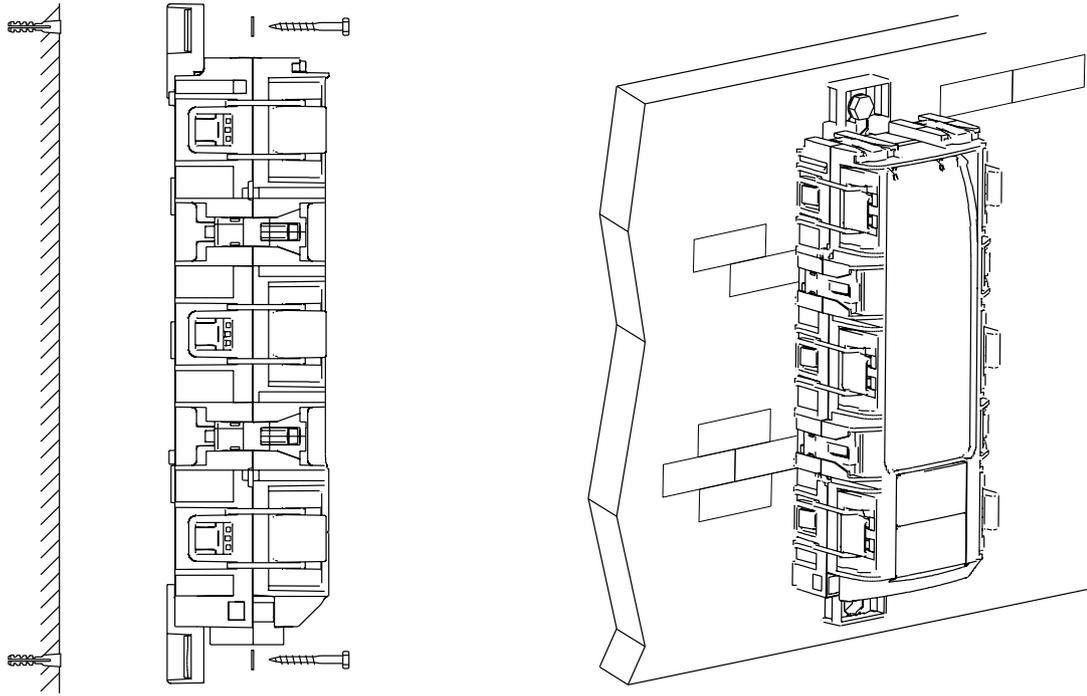

2   Mounting clips installation

TOP

BASE BOTTOM

BOTTOM

1   Break off the two mounting clips.
2   Note: the two clips are not identical. Make sure to mount the clips in the correct position. Small hole facing upwards.
3   Mount the clips on the base at both sides (top and bottom).

---

3   Wall mounting

1   Using the mounting clips as a template, mark the mounting screw locations on the selected surface for the installation.
2   Install wall plugs first, then position the closure with the mounting tabs against the surface. Continue with the washers and the screws to secure the closure onto the surface.
